

St Bartholomew's Catholic Primary

Local Offer Sept 2019

Special Educational Needs and Disability (SEND)

St. Bartholomew's Catholic Primary School is an inclusive school. We ensure that all pupils are included in all aspects of learning and school life throughout our school.

'A loving family dedicated to education through the Catholic Faith, helping each of us to grow into the person we are called to be.' In order to do this many steps are taken to support them through their Learning Journey.

From time to time, some children require additional support for a set period of time to help meet their needs or improve their learning. The decision to do this is made by the school and is based on a variety of factors including academic progress, and/or assessments carried out by teaching staff or other professionals. It may also be based on ensuring children have a smooth transition into school or require support when going through significant change either at home or school. Parents/carers will be informed when this happens.

Some children will require support for a longer period of time to ensure they can access the curriculum effectively and be included fully in classroom learning and school events. Support will be planned by school staff and where appropriate by external professionals. Parents/carers will be kept informed about this support.

Children who require support in terms of their acquisition of English are not considered SEND pupils but they may require additional support, their needs are reflected in our local offer.

Our Local Offer describes the range of provision and support available to support identified children as and when appropriate. This offer is subject to change depending on budgetary constraints and policy review.

Roles and Responsibilities of the Special Needs Co-ordinator (SENDco)

Our SENDco is responsible for the operations of the Special Education Needs Policy and co-ordination of specific provision made to support individual children with SEND. We liaise with staff to monitor the pupil's progress and plan further interventions where progress is slower than expected. We regularly have contact with a wide range of external agencies that are able to give more specialised advice.

If you have any concerns regarding SEND matters do not hesitate to contact us.

 - The welfare of LAC
 - Ensuring children have access to an adult in school who they can trust and share any fears and concerns they may have.

- Teaching Assistant (TA) may be allocated to some pupils with SEND
 - A teaching assistant (TA) may be allocated to a pupil with exceptional special educational needs and/or disabilities and whilst they take a very valuable role in your child's education we would prefer that questions regarding your child's learning and progress are directed initially to the class teacher and/or SENDco. - We know when pupils need help if:

 - Limited progress is being made
 - There is a change in the pupil's behaviour or progress

3. What should I do if I think my child may have special educational needs?

- The class teacher is the initial point of contact for responding to parental concerns
- If you have concerns, then contact Mrs Bingham who is the SENDco
- If you have concerns regarding behaviour, then contact Mrs Lockley, Mrs Forrest or Mr Bannister who are Head (and Deputies) of Safeguarding and Child Protection

4. How will I know how St. Bartholomew's Catholic Primary School supports my child?

- When a pupil has been identified with special needs the class teacher will differentiate their work to enable them to access the curriculum more easily.
- Teaching Assistants (TAs) may be allocated to work with the pupil in a 1-1 or small focus group to target more specific needs.
- If a child has been identified as having a special need, they will be given an SEN plan (IEP). Targets will be set accordingly to their area of need. The class teacher will monitor these weekly and by the SENDco three times per year. IEPs will be discussed with parents at Parents' Evening or at a more suitable date/time.
- If appropriate, specialist equipment may be given to the pupil e.g. writing slopes, concentration cushions, pens/pencil grips or easy to use scissors.
- If a child has been identified as having a behavioural need, a Behavioural Improvement Plan (BIP) will be created in conjunction with the child and parents. Targets will be set according to their area of need; the class teacher will monitor these. A three way process: Child→Parent→School

5. How will I know how my child is doing?

- You will be able to discuss your child's progress at Parents' Evening
- Your child's class teacher will be available briefly at the end of each day if you wish to raise a concern. Appointments can be made to speak in more detail to the class teacher or SENDco by visiting the school office.

The aim of the planning meeting is to gain an understanding of and try to resolve a pupil's difficulties.
