

**ST HELENS**  
BOROUGH COUNCIL

# Domiciliary Care – Approved List

## 2024/25

Effective from 01.08.23

## People's Services

## Domiciliary Care Services – Approved List

### 1 Introduction

Personal domiciliary care means help with everyday living tasks such as getting up and getting dressed, washing, bathing. Agencies providing this type of care must be registered with the regulatory body for care services, the Care Quality Commission (CQC). These agencies are regularly inspected and reviewed to ensure that minimum standards are met.

The information provided below identifies all registered agencies currently providing domiciliary care services within the borough of St. Helens on behalf of the Council or independently of it.

The detail provided is based upon information obtained from CQC and individual providers and includes contact details including whether the provider has an email address.

Information on provision can change and should you wish to check any registration detail you are advised to contact CQC to establish that the domiciliary care provider holds the appropriate registration.

You can contact CQC on 03000 616161 or alternatively via the website by using the link below:-

[www.cqc.org.uk](http://www.cqc.org.uk)

### 2 Care Standards

All care providers must by law be registered with CQC and are inspected against a set of essential standards of quality and safety. CQC carry out regular inspections and the results of these are available via the CQC website together with their rating of each provider. From April 2015 providers are required to display details of their ratings.

The Council also undertakes its own regular performance monitoring designed to ensure that standards are maintained at all times.

### 3 Contracts

All providers listed are contracted to provide services on behalf of the Council. These contracts were awarded via a tender process undertaken in 2023 and are subject to regular compliance monitoring.

The list indicates any specific wards within which the provider advises they are able to provide services.

The providers listed as Tier 1 have electronic call monitoring in place and are the first providers the Council would approach. Tier 2 providers do not currently have electronic call monitoring and are approached should Tier 1 providers be unable to pick up a commissioned package.

Should you require any assistance in respect to this information you can contact the Market Relationships Team on 01744 67 3492 or via email at [marketrelationships@sthelens.gov.uk](mailto:marketrelationships@sthelens.gov.uk)
